Dear Ms Venn

As discussed, this correspondence constitutes a formal request for an amendment to the RIDA Approval granted on 10 September 2015 to amend condition number 5 to a timing requirement from 30 days to 14 days to facilitate the commencement of works within a tight time frame.

We understand that under the s55 (1)(b) of the RPI Act the Chief Executive has the ability to make this amendment where it will not adversely change the impact of the resource activity on the RPI area of interest.

Yours sincerely
